**Site Meeting Shotley Holdings/ Collins Skiphire/ Station Road,
Tattingstone IP9 2DB Tuesday 10th May 2022 at 10.00 am**

Suffolk County Council Planning Ref:

Application No: SCC/0027/22B/SCREEN

Proposal: EIA Screening and Scoping request for a proposed eastern extension to Folly Farm Quarry for the extraction, processing, sale and distribution of sand and gravel and subsequent restoration using inert materials

This is to announce that I intend to hold a site meeting at the office Landfill Site, Tattingstone to discuss and view both the current planning application for extraction of aggregates as listed above together with some other forthcoming planning amendments on the existing site.

The meeting will be attended by Suffolk County Council Planning Officers and our own consultants from PDE Consultancy who have made the application on our behalf.

The route will be signed and managed from the access on Station Road, 250 m west of the A 137 junction in Tattingstone.

I look forward to seeing everyone then and please contact me via email for any further information.
